STATEMENT OF PROBABLE CAUSE

(For issuance of an arrest warrant or summons)

I state that on 08/21/2021 while exercising my duties as a law enforcement officer in the _____ District of OR

Pursuant to 16USC 551: 36 CFR 261.58(M) I state that on 08/21/2021 at approximately 3:35 PM, while exercising my duties as a Law Enforcement Officer in the District of Oregon, Mt. Hood National Forest, in full uniform and in a marked patrol vehicle, I heard gunshots coming from the south east through the forest while making a contact on NFSR 2609. I located a vehicle about a half mile away on NFSR 3626105 spur and contacted a male and female and introduced myself as Forest Service Law Enforcement. I asked them if they had been shooting and they affirmed. I then educated them that lands inside the Mt. Hood National Forest were restricted by forest order against target shooting. I further educated them that they needed to know and adhere to the rules and regulations of the lands on which they choose to recreate. The male claimed to own the pistol and said he was shooting. I asked for his identification which he provided. Jason BRITTON provided his state issued driver's license and he returned clear/valid when I ran him through Clackamas County Sheriff's Office Dispatch. I issued Mr. BRITTON a violation notice pursuant to 36 CFR 261.58(M) for discharging a firearm prohibited by Forest Order. The Forest Order Number is 06-06-00-21-04. The closure order is posted on the Mt. Hood National Forest web page.

The foregoing statement is based upon:

MY PERSONAL OBSERVATION

I declare under penalty of perjury that the information which I have set forth above and on the face of this violation notice is true and correct to the best of my knowledge.
